# EXECUTIVE SUMMARY

Since 2011, Realistic Asia has been providing unique tour packages combining comfort and authentic travel experience through the breathtaking attractions of Indochina. We offer our travelers unique vacations with efficient services, personal touch, and care.

# EXECUTIVE SUMMARY

We have an extensive catalog of well-planned trips with guaranteed departures, which lets our partners book their clients confidently. In addition, we specialize in tailor-made trips and can customize the perfect vacation to any of your clients, or we can create an exclusive tour package just for your company.

# WHY WE STAND APART

We at Realistic Asia focus on details, and we believe that strong communication with our partners leads to the best experience for your customers. We always personalize our services following your particular profile travel philosophy to ensure the tour is just right.

Our dedicated team is spread across Southeast Asia, and we know the destination like the back of our hand. All our team members are passionate about traveling and extensively explore our destinations to find new interesting routes and unique experiences for our travelers.

# WHY WE STAND APART

We are committed to offering the highest quality of service possible by closely working with suppliers on maintaining high-quality standards, extensive guide-training programs, and personally checking all the locations and services we offer. During the trip, we will be with your clients providing them with the utmost care and attention. We are always available and give a 24/7 hotline support guarantee for all our travelers during their trip.

# GREAT VALUE

At Realistic Asia, we are experts in the field of tourism with enough confidence to conduct what we promote. We have local knowledge and experience to promise that your clients will have the best possible experience in Indochina.

Our team is passionate about bringing creativity to our products, and we have exclusive day tour programs operated only by us, which gives us the opportunity to offer unique experiences.

# GREAT VALUE

We are committed to sustainable travel that makes a difference. By carefully planning our tours, we minimize environmental impact and maximize community value. We work hand in hand with local guides, choosing locally operated hotels and suppliers to support the regional economy.

We also actively participate in projects that promote sustainable tourism, benefiting local communities. Through close collaboration, we provide our travelers with an authentic experience that celebrates the diverse traditions and cultures of Indochina.
